

Rockin' Solidarity

NOTE: As presently performed, our soloist (Denise) sings the verses, and we join in on the choruses, in unison except that...

the tenors & basses shout the interjections in parentheses. On the second line, the *everybody* starts just before the end of *forever*, so I've indicated that here. Everyone does the *yes!* on the last line.

Solidarity forever (y' gotta have it)

Solidarity forev' (everybody's talkin' 'bout it)

Solidarity forever

For the union (yes!)—the union makes us strong.

On the last chorus, it goes...

For the union (yes!)—the union makes

For the union (yes!)—the union makes

For the union (yes!; *hold this*)

(*slow...*) ... the union makes us strong! [wave hats in hand]
